Tightly twisting our dual conductors and both a 95% braid and 100% foil shield allows for superior rejection of interference when compared to other so-called high performance audio cables. Comprehensive X3A cables utilize two 100% Oxygen Free Copper stranded center conductors for maximum signal transfer and no discernable loss. Premium 24k gold contacts with split center pin provide secure connectivity while our X-traflex jacket reduces cable stress and provides unsurpassed durability. The result is deeper bass, crisper highs, and enhanced spacial imaging. Lifetime Warranty.

XSW4 Subwoofer Series
