# Cable Dispensers

## Cable Counter Lid

An easy solution for the contractor to measure the cable to length. The lid fits on a standard five-gallon bucket, which can be used to easily transport cable, tools and Kwik-Locs on the job site.

## Cable Dispenser

The cable dispenser is a fast and easy way to cut your cable to the correct length without having to premeasure and cut. It also takes away the necessity of purchasing different lengths of cable reducing waste. The dispenser incorporates a counter that is available in both imperial and metric.
