

2-582-T Quadra Wall Wash BRO

The square trim rounds out the Quadra family to provide wall wash capability. Careful lamp positioning above the glass spread lens optimizes uniformity. The Quadra Wall Wash has a strategically placed reflector and lens that optimizes uniform vertical illumination. It is ideal for wall washing or grazing applications. The Bridgelux module produces a light consistency within 3 SDCM (MacAdam Ellipse).

FEATURES

- Utilizes Bridgelux LED
- Lumen output: 800-3000
- Wet location listed
- Ideal spacing 30" on center and 24" away from wall
