

RACK-A-TIERS NEW STOCK

RACK-A-TIERS® SPECIALTY ELECTRICAL TOOLS

13355 Plate Vise

Cut pipe and wood faster, more accurately, and MUCH safer with the Plate Vise.

- Tightly holds plastic and metal pipe, conduit, unistrut, rebar, lumber, dowels, and more
- Lifts material for easy cutting, drilling, measuring, and tightening

51000 Exploding Garbage Can

One of our classic tools that everybody loves, the Exploding Garbage Can comes in use every single day. This collapsible trash container, featuring an internal support spring that "springs into action", is made of heavy duty, tear resistant polytuf fabric.

- Size of 19" x 24" when open
- Size of 1½" x 24" when collapsed

47099BB Bag of Booties

Leave a clean impression, not your dirty tracks with these slip resistant plastic booties

48000 Drillers Dust Bowl

The flexible Driller's Dust Bowl compresses against the work surface and traps all dust and debris as you drill. The bowl fits your drill and hole saw without any adjustments needed

40001 Wire Vortex – Wire Pulling Guide

If you need an extra pair of hands on the job, try the Wire Vortex. This wire pulling guide fits on 4" square boxes and saves you tons of time when pulling wire.

- Protects wire from damage when pulling
- Can pull wire in all 4 directions
- Use for standard (shallow) or deep boxes
- Built with durable, impact-resistant plastic
- Easy to slip on and off

42620 Flex Puller

- Flexible metal conduit pulling tool easily screws onto exterior of MC cable and provides a hook to pull cable.
- No more getting caught up in insulation or other obstacles!

Mfg Note: Can be used on #14, #12, & #10 MC Cable
