### Jack Terminator™ - Hubbell Punch Head Set

**Description:** This patented product allows professionals to significantly reduce the time it takes to terminate Cat5 and other UTP communication cables into standard wall jacks. In one simple action, 4 pairs of wires are terminated and the built-in blades cut off the excess wire, eliminating the need for a secondary trim step.

**Features:**

- High-grade, hardened steel frame offers superior performance and durability.
- Ratcheted action to ensure proper, consistent termination.
- Patented spring-engaged blades terminate wires at the optimal stroke.
- Adjustment feature for extra leverage applications.
- Quick-change punch sets require no tools.
- Removable jack cradle allows for alternate lacing option.
- Punch heads can be purchased separately.
- Rubber-embedded handles provide extra comfort.
- Lifetime Limited Warranty

Suppliers for: CATV, DATA, CCTV, Security, Telecom, Home Theater
