# **Tools & Supplies**

#### **Nailbiter™ Premium Ship Auger Bits**

- Dual-Helix construction with twin cutting edges provides faster and smoother drilling action, even through nail-embedded timbers
- Full body, dual induction heat treatment ensures durability, minimizes warping and delivers long lasting performance
- Heavy-duty lead screw designed for quick gripping power, superior penetration and extra-long life
- Re-sharpenable for extended tool life

## Mini™ Utility Bit Augers

- Designed to fit between wall studs when used with common drills
- Eliminates the need for expensive right angle drills

| Mini <sup>™</sup> Augers - Bit Length = 4-3/4" Twist = 2-1/2",<br>Shank = 7/16" Description | Hole<br>Diameter | Overall<br>Length | Twist<br>Length | Cat. No. |  |

| 1 in. Power Ship Auger  | 1 in.            | 4-3/4 in.         | 2-1/2 in.       | 35-868   |  |

## RESI-MASTER™ Heavy-Duty Ship Augers

 62° cutting angle reinforces the cutting edge and provides greater durability

- Hardened lead screw and cutting edge provide increased wear resistance and extended life
- Secondary relief angle evacuates wood chips quickly and prevents auger from jamming
- Oversized cutting head makes hole larger than body of bit for easy ejection from work piece
