

Switch & Contact Cleaner

- An effective cleaner for all types of electrical switches and contacts
- Use on any electrical equipment: billing machines, calculators, computers, elevator controls, railway signal equipment, telephone switching equipment, TV tuners, etc...
- Completely non-conductive, non-flammable and non-corrosive
- May be used on live equipment safely
- Quickly dissolves grease and film on contact, and the spray force removes these deposits from the contact surface
- Leaves no residue
- Recommended for low voltage applications where no lubricant is required

Avoid direct spraying on ABS, Acrylic, Styrene, or Polycarbonate material since solvent attack may occur

Description	Cat. No.
Switch & Contact Cleaner - 16oz/454g	40-099A
Switch & Contact Cleaner - 6oz/170g	40-099
Switch & Contact Cleaner - 4oz/113g	10-099

Noalox® Anti-Oxidant

- Anti-oxidant and anti-seizing compound
- Reduces galling and seizing on aluminum conduit joints
- Suspended zinc particles penetrate and cut aluminum oxide
- Carrier material excludes air to prevent further oxidation

Description	Cat. No.
