Nothing but **HEAVY DUTY.**

M12™ CORDLESS HEATED GEAR

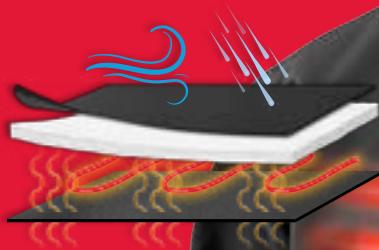

Powered by M12™ REDLITHIUM™ Battery Technology, Milwaukee® M12™ Cordless Heated Gear distributes heat across core body areas and stops cold dead in its tracks. Durable carbon fiber heating elements woven in between rugged exterior materials and thermal insulating liners generate and maintain heat to keep you moving in any weather condition. On or off the jobsite, Milwaukee® M12™ Heated Gear provides up to 6 hours of continuous heat per battery charge for use in all seasons and outdoor environments. M12™ REDLITHIUM™ Batteries are compatible with over 60 power tool solutions, from Milwaukee®.

Water and Wind Resistant

3 Heating Zones
Chest and Back

5 Heating Zones
Chest, Back, Pockets

In-Pocket USB Port
Charges portable electronic devices

SHARED FEATURES

Up to 6 Hours of Continuous Heat

Easy Touch Heat Controller
3 heat settings per zone

Washer and Dryer Safe

ALL DAY HEAT THE WORK

M12™ CORDLESS HEATED JACKETS

- **NEW Improved Cut:** Provides enhanced range of motion and better heat retention
- **NEW Additional Storage:** Oversized cargo pouch and added utility pocket provide versatile storage options
- **Water and Wind Resistant:** Rugged outer material and Internal Storm Flap protect from the elements
- **USB Charger:** Charges all portable electronic devices and displays remaining battery run-time with convenient fuel gauge

M12™ CORDLESS HEATED HOODIES

- **NEW Enlarged battery pouch:** Fits all M12™ and M18™ battery packs
- **Optimal for All Seasons:** Outer layer during fall and spring months or insulating base layer during winter
- **Durable Cotton Exterior:** Resists tearing and fraying
- **Polyester Thermal Liner and Rib-Knit Cuffs:** For maximum comfort and heat retention

HIGH VISIBILITY

- ANSI/ISEA 107-2010 Class 3 Compliant (Jacket)
- ANSI/ISEA 107-2010 Class 2 Compliant (Hoodie)
- 3M™ Scotchlite™ Reflective Material
- **Water and Wind Resistant:** Internal storm flap and fully taped seams

WOMEN'S HEATED JACKET

 NATIONAL BREAST CANCER FOUNDATION, INC.

- **Women's Cut:** Stitch lines positioned for a tailored, less baggy fit for better heat retention
- **Water and Wind Resistant:** Internal storm flap and thermal knit fleece inner lining keep the weather out and heat in

HEAT FOR K YOU DO

M12™ CORDLESS HEATED CAMOUFLAGE JACKETS

3-IN-1

HEATED
JACKET

Noise Reducing
Fabric

- **NEW 3-in-1 Jacket:** Heated vest can be attached to high-performance outer shell or worn separately for ultimate versatility
- **Water and Wind Resistant:** Rugged outer material and Internal Storm Flap protect from the elements
- **Noise-Reducing Outer Fabric:** Allows for quiet movement in wooded terrain
- **USB Charger:** Charges all portable electronic devices and displays remaining battery run-time with convenient fuel gauge

M12™ CORDLESS HEATED CAMOUFLAGE HOODIES

Noise Reducing
Fabric

- **NEW Camo Patterns:** Available in Realtree Xtra® and Realtree Max-1® for use in any terrain
- **Optimal for All Seasons:** Outer layer during fall and spring months or insulating base layer during winter
- **Water Repellent Shell:** Rugged outer material to protect against the elements
- **Noise-Reducing Outer Fabric:** Allows for quiet movement in wooded terrain
- **Polyester Thermal Liner and Rib-Knit Cuffs:** For maximum comfort and heat retention

M12™ CORDLESS HEATED HAND WARMERS

- **Active Heat:** Replaces gloves and restores dexterity
- **Water and Wind Resistant:** Dual-cuff forms windproof seal with jacket to keep the weather out and heat in
- **Adjustable Buckle Strap:** Secures around waist
- **Two Carbon Fiber Heating Elements**
