## EZL-75 Thermal Label Printer and EZL Printer Labels

## Quick and cost-effective labeling solution!

### **EZL-75 Thermal Label Printer**

If your labeling needs don't quite justify all the high-end features of T&B's EZL-100 printer, now there's a lower cost solution for simple labeling. The EZL-75 thermal label printer is just as easy to use as the EZL-100 printer. Simply type and print. Or don't even bother typing. Instead, use hot keys to choose among the EZL-75 printer's built-in library of symbols and more than 150 commonly used words for security, location and voice/data/video labeling.

- Hot keys provide one-touch flagging for wires and cables and fixed-length labels for faceplates and security panels
- Incremental alpha and numeric printing makes printing distribution panel labels fast and simple
- 13-character backlit display enhances readability
- Multiple line printing supports up to 2 lines per label
- Durable bumper safeguards against damage in the tool box
- Uses the same label cassettes (up to ½" width) as the EZL-100 printer

#### ..... Specifications .....

- Dimensions: 4.5" (114mm) W x 7.5" (191mm) H x 2.1" (53mm) D
- · Power: 9V DC, using 6 "AA" (not included)batteries or AC adapter
- Weight: 0.8 lbs. (363 grams)

CAT. NO.	DESCRIPTION
EZL-75	Printer (includes (1) ½" white nylon quick-load cassette tape, quick
	start card, and user manual. AC power adapter not included
EZL-ADP	Adapter for EZL-75 Printer 9V, 1.5A

#### High-performance labels that last!

## **Wire Marker Labels for EZL Printers**

- Perfect for wire and cable
- Print heat-shrink sleeves on the spot!
- · Clear, non-smudging lettering
- Chemical/solvent resistant
- Available in yellow, white, and metallic markers
- Flame retardant, Polyolefin material, 3:1 shrink ratio
- · Easy-to-peel, split-back design

Easy barcode printing
