UPC No 783166594278

Products > Push Buttons & Pilot Devices > Pilot Devices > NEMA Pilot Devices

Special Function Non-Illuminated. Hot Buttons make it easier and faster than ever for you to get the most popular push buttons, pilot lights and selector switches. GE has taken its proven CR104P Heavy-Duty Oiltight push buttons, matched them with their logical and most often-used contacts and nameplates, and put them together. One product number, one box, one price.
