

NEW PRODUCT INFORMATION

Satco Halogen Excel PAR 2 packs

Energy efficient replacement lamps that meet today's DOE requirements.

Featuring Halogen/Xenon technology, Satco Halogen Excel PAR lamps are the most cost effective replacements for traditional Halogen PAR lamps. They are the next step in energy efficient technology, saving up to 30% over their predecessors. Even better, the light output and look of the lamps are virtually identical to the older technology making these an easy choice while also being environmentally sound.

Now available in convenient 2-packs!

HALOGEN
Excel™ Energy Saver

Applications

- Indoor and outdoor accent lighting
- General illumination in public spaces, offices, lobbies, etc.

Features

- Halogen/Xenon technology for enhanced performance
- Silver coated reflectors for higher lumen output using less wattage
- Environmentally friendly; up to 30% energy savings over traditional Halogen lamps
- Fully dimmable and mercury free
- Same look and feel as the products they replace
