Features

Body Construction

Powder-coated or electroplated cast aluminum with vertical eyelid center. Available in black, brushed nickel or flat white corrosion resistant paint.

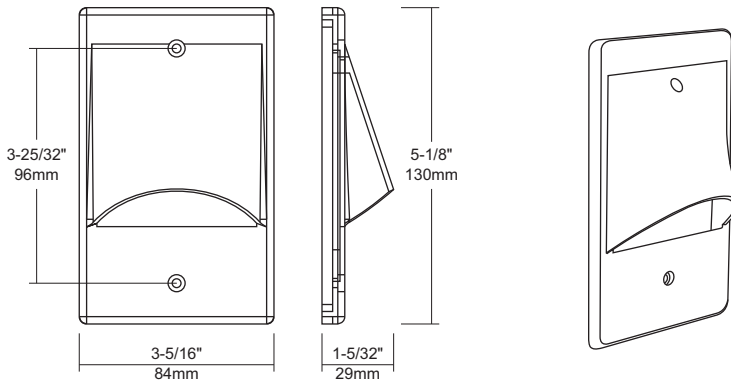

Mounting

Mounts onto single gang outdoor LED step light (OSL1020 – sold separately) with two colour matching screws (included).

Description

This vertical eyelid faceplate is used in conjunction with single gang outdoor LED step light. It casts a subtle low level floor/path lighting and creates a wash of light to steps, walls, paths or patios.

Notes: Accessories should be ordered separately. For additional options please consult your Liteline representative. Due to our continued efforts to improve our products, product specifications are subject to change without notice.
