

IMPORTANT PRODUCT INFORMATION

READ THIS INFORMATION FIRST

Product: 6" LCD Monochrome, 24VDC QuickPanel Products

Catalog Nos.: QPK3D200L2P-A, GQPK3D200L2P-A
CQPK3D200L2P-A, MPK3D200L2P-A
QPK3D200L2P/B-A, QSK3D200L2P-B, GQSK3D200L2P-B

Please retain this document. It contains important information for operating the QuickPanel products listed above.

The 6" LCD Monochrome, 24VDC QuickPanel model is now available with upgraded and modernized hardware.

- 1. Increased Serial Baud Rates:** For communications between PLCs and QuickPanels, baud rates of up to 115.2Kbps are now supported for faster and more accurate response times. Additionally, applications can now be downloaded to a QuickPanel at 38.4Kbps.
- 2. Enhanced LCD & Backlight:** 320x240 pixel resolution with adjustable brightness (four levels) and contrast (eight levels); user replaceable CCFL backlight with 30,000 hours lifetime of use under normal temperature and humidity conditions.

Compatibility

Software

The new hardware platform requires QuickDesigner software version 3.51 or later. Projects developed for the older 6" models using QuickDesigner version 2.4 and later are compatible with QuickDesigner 3.51.

Previous Versions of QuickPanel

The old part numbers listed below are no longer available. When replacing a QuickPanel, please order the corresponding new part number.

Old Part Number	New Part Number	Description
QPK2D100L2P	QPK3D200L2P	6" LCD Mono QuickPanel, TCP branding
GQPK2D100L2P	GQPK3D200L2P	6" LCD Mono QuickPanel, GE Fanuc branding
CQPK2D100L2P	CQPK3D200L2P	6" LCD Mono QuickPanel, TCP branding
MPK2D100L2P	MPK3D200L2P	6" LCD Mono QuickPanel, TCP branding, with HMI-CAB-C52 and HMI-CAB-C83
QPK2D100L2P/B	QPK3D200L2P/B	6" LCD Mono QuickPanel, Blank
QPK2D101L2P	QPK3D200L2P	6" LCD Mono QuickPanel, TCP branding
GQPK2D101L2P	GQPK3D200L2P	6" LCD Mono QuickPanel, GE Fanuc branding
QSK2D100L2P	QSK3D200L2P	Quickstart kit, 6" LCD Mono QuickPanel, TCP branding
GQSK2D100L2P	GQSK3D200L2P	QuickStart kit, 6" LCD Mono QuickPanel, GE Fanuc branding

Agency Approvals

UL 508 Ordinary Locations

UL 1604 Hazardous Locations (Class 1, Div 2, Groups A, B, C, and D)
