EZ Access Battery Door

Mute/Test & Low Battery Warning Silence

BENEFITS

Replace one existing hardwired alarm with Onelink and then wirelessly connect up to 18 Onelink alarms (battery) - when one sounds they all sound - no additional wiring

2 AA batteries included - operates during power outages

Most sensitive to smoldering fires and reduces false alarms caused by cooking smoke and shower steam

No need to remove alarm from the ceiling to change battery

Mutes unwanted alarms immediately and also tests alarm function
