

inQUIRE™ Desktop Intercom

On-Q/Legrand has expanded its award-winning inQUIRE Intercom System with the industry's first dedicated desktop intercom. The Cat 5-based desktop unit offers a great retrofit opportunity for customers that already have an On-Q Intercom System installed but would like additional units in the home.

FEATURES

- Retrofit to On-Q Cat 5-based Intercom Systems
- Stand-alone unit offers wall unit functionality for home office or bedside applications
- Plug into any RJ45 outlet home run to enclosure
- Housed in durable plastic casing
- Silver color matches popular consumer electronics
- Rubber grips prevent sliding on surfaces
