

TradeMaster Decorator Night Light w/ Tamper- Resistant Single Outlet, White

TM8HWLTRWCC

Decorator Hallway Light with High Output
Light & Tamper-Resistant Single
Receptacle, White

features & benefits

- Impact-resistant face and back body.
- External screw-pressure-plate back and side wired. Accepts #12 and #14 AWG.
- GE Lexan high impact-resistant lens.
- Tri-drive screws.
- Energy-efficient LED has average 20-year life expectancy: eliminates bulb replacement.
- Sensor automatically turns light ON in the dark.
- Increased light output for better illumination.
- Light sensor for enhanced sensitivity.
- UL tested shutter mechanism for protection against improper object insertion per UL498.
- Specially designed for increased protection of children in their homes.
- Superior protection than traditional outlet "caps" or "protection plates."
- For covering patents, see www.legrand.us/patents.
