

WALL PLATES, INSERTS & ENCLOSURES GUIDE

designed to be better.™

SUPERIOR INFRASTRUCTURE SOLUTIONS

CONNECTIVITY

As the industry leader in structured wiring, On-Q® provides the proven, practical solutions preferred by installers and major home builders across the country. Our comprehensive product offering — which includes wall plates, jacks, straps, tools, modules and enclosures — simplifies installations and reduces time on site. We specialize in meeting the right specifications for any project — residential or light commercial — with solutions that exceed your needs. From single-family homes to apartments, townhomes to condominiums, On-Q has the professional answer for any project.

HDMI

This full line of CL-3 in-wall UL-rated HDMI High-Speed with Ethernet products — which includes cables, couplers, repeaters and extenders — deliver an unparalleled HD audio and video experience.

WALLPLATES & INSERTS

Our line of Keystone wall plates and Cat 5e, Cat6, Cat6a, F-Connectors, speaker binding posts and RCA inserts provide flexible setup options at any location.

DECORATOR STRAPS

We offer a series of pre-configured outlet straps for data, phone, video and home theater applications. Add a home theater strap to enable HD audio and video with a few simple connections, or quickly wire a home office using our pre-configured outlet straps that combine phone, data and video into a single decorator opening.

ENCLOSURES

Our durable enclosures range in size from 12 to 42 inches to suit any installation. Every enclosure is made in the USA and is compatible with all major module mounting schemes. They offer three 2.5" top openings for high capacity projects, side lances and side tabs for more flexible installation options. Available with hinged or screw-on doors, a Legrand enclosure is the easy choice for professional projects.
