

KWIKPATH® RISER & RESI

RISER RACEWAY

The backbone of the structured cabling system, Kwikpath Riser is a nonmetallic, flexible PVC corrugated product manufactured and tested specifically for riser applications. Easily identified by its mandarin orange color, it's available in convenient coil or reel packaging with sequential markers every 1 foot.

Kwikpath Riser Communication Raceway – Coil with Pull Tape *

2"	500'	KPR200TR	125018

* Also available without pull tape - minimum quantity required.

RESI RACEWAY

Kwikpath Resi is a flexible raceway system created especially for residential communications systems, arranging and organizing telephone, ethernet, satellite, internet, video, security and sound cabling. Installing Kwikpath Resi into a home allows the owner to add or change cabling without having to tear out walls or surface-mount cables along walls and baseboards. Its mandarin orange color makes it easily recognizable, preventing damage to cabling when renovations require tradesmen to enter or change the walls.

Kwikpath Resi Communication Raceway – Coil NO Pull Tape
