### **UNIQUELY ENGINEERED FOR NEW AND EXISTING CONSTRUCTION**

The RL629 is the newest, most efficient, and advanced LED retrofit modules from ELITE Lighting. It's unique design delivers color quality above a 90 CRI rating. The color matching has never been so close, with a binning as low as 3 MacAdams ellipses. The RL629 LED retrofits meet all new mandatory California Title 24 requirements.

The Elite RL629 LED Module has been engineered for new constructions to meet Title-24's "No Edison Socket" mandate. The Elite RL629 LED system works in our dedicated (LD6IC-AT, LD6RIC-AT, LD5IC-AT, and LD5RIC-AT) housings and our existing 6" Incandescent housings (B6IC-AT, EZ6IC-AT, B26IC-AT, B26RIC-AT, B6RIC-AT) but is also suitable for using in most 6" and 5" Incandescent recessed downlight housings in the market.

INPUT VOLT.	INPUT FREQ.	THD	POWER FACTOR	INPUT POWER	LUMENS
120	50/60Hz	<20%	>0.9	15W(+/-5%)	1000

### **FEATURES**

WARRANTY

- Over 1000 usable lumens are directed from the luminaire to the work surface
- Greater light output than a 26W CFL or a 65W BR30 while consuming less than 15W of power

5 Years

- Rated at 90+ CRI to meet California Title-24 strict compliance standards
- Life tested to ensure light output up to 50,000 hours of operation to L70
- Glare reducing cut-off angle of 55 degrees
- High performance optic hides LED chip image but still delivers an even beam of light
- Elite's highly selective LED chips produce zero ultraviolet and virtually no infrared light
- Tested to LM-79 and LM-80 standards
- UL listed for safety

# **DURABILITY**

Our spun aluminum system pulls the heat from the LED chip, allowing the continued cool operation for years. Our LED driver is rated for 50 to 60 Hz at 120V input, and produces less than 20% THD, has a power factor between 0.90 and 1.00 and is thermal protected for additional safety.

## **DIMMABLE**

The Elite LED Module is dimmable down to 15% of initial light output with compatable dimmers. Consult factory for complete list of compatible dimming systems.

## **OUR WORD**

The Elite LED lighting system carries a five-year carefree warranty for parts and components. (Labor not included)

LED

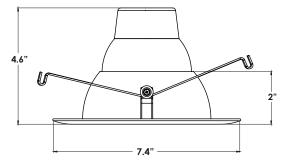

Elite's innovative LED retrofit downlight modules deliver the brightest, most beautiful and most energy efficient ambient lighting to replace any lamp type on your existing fixture.

# **INSTALLATION**

Ez connector to use with special High efficacy housing or Edison base adapter for retrofitting into existing 6" incandescent housings.

- Utilizes industry standard V springs, installs in most 6" incandescent downlights.
- Insert V springs into can and press trim to ceiling.
