SPECIALTY ELECTRICAL TOOLS

Plug Master

Part# 99102

The PlugMaster combines a full function dual-outlet circuit tester with 220V detection and multiple direction bubble-levels.

Eliminate the need for multiple tools to test and straighten any wall outlets.

Features

- Acts as horizontal and vertical level
- Use for diagnostics
- Perform quick wiring checks
- Panel identifies conditions shown by LED indicators
- Removable side panels cover outlet during insertion

Mfg Note

The PlugMaster is the Multi-Function, Professional Grade Electrical Safety Tool.
