**The Ultimate Butane Kit**

The Ultimate Butane Kit includes tools and accessories needed for a variety of applications. ThermaSolder™ butane powered soldering irons are cordless. Multi-functional tools may be used as soldering irons, convenient portable torches and flameless heat blowers. The tools heat up in 20 seconds or less and are safe and simple to use under most any condition.

**Applications**

Carmalizing creme brulee, plumbing, brazing, prosthetics, soldering and desoldering
