

XT Fusible Combination Plug & Play with 22mm Cover Control kits

Quick Connect XT Motor Starter will save time and money!

- Compact and robust design for ease of mounting
- Quick and easy component assembly
- Utilizes XT Series Contactors (sizes B-D) and overloads
- 100kA SC rating
- "Fixed Adjustable" type overload relays are available
- Overload "Reset" Pushbutton comes standard
- Choose from 19 different cover control options
- Available up to 40hp @ 600Vac
- EEMAC 1/12/3R rated enclosure
- CSA and cCSAus approved
