

ACCESSORIES

DWJB0200

Shackleless Padlock by American Lock®

- Hidden shackle padlock with hardened steel body is the most secure lock solution available – cannot be cut or pried.
- Keyway located on front face for easy access and convenience.
- Lock features a hardened anti-drill disc to protect the key cylinder.
- Keyed-Alike locks are also available (DWJB0201).
- Keyed-Alike locks can be keyed to a specific key code, as well. (The DWJB0201 locks can be keyed to the same 4-pin key used on typical #5 padlocks.)

DWJB0150

Heavy-Duty Accessory Storage Tray

- Open design perfect for holding batteries, chargers, or other accessories.
- Rugged 16-Gauge steel construction to withstand the jobsite environment.
- Heavy-duty hanger allows versatile placement within the storage box.
- Handles for portability when using the tray outside of the storage box.
- Tapered shape allows multiple trays to nest inside one another for storage when empty.

DWJB0404

4" Heavy-Duty Casters
