

PROJECT:

DATE:

CAT. NO:

TYPE:

NOTES:

GENERAL

Fluorescent luminaire for general area lighting. Suitable for continuous row mounting.

CONSTRUCTION

Rigid body constructed from code gauge steel.

FINISH

Standard finish is high gloss white polyester powder coat paint.

SHIELDING

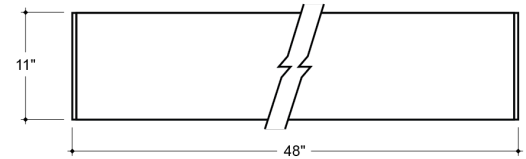

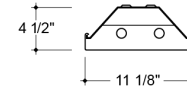

Clear acrylic prismatic wrap-around diffuser with ribbed sides for balanced light control; easily removable, no hardware to loosen.

ELECTRICAL

Instant start electronic ballast, 120V-50/60Hz. Other ballasts and voltages available upon request.

CERTIFICATIONS

CSA and/or UL approved.
