MODELS

CWS & FM: Stainless steel (304) shell, high heat painted black frame. 3 yr warranty (1 yr commercial, excl. elements)

CWM: 100% 304 stainless steel construction. Three year warranty (One year commercial, excl. elements)

XR: 100% 304 stainless steel construction. Ultra low watt density, long life elements.

RESIDENTIAL USE: LIFETIME WARRANTY. Commercial use (XR-C): Three year warranty (incl. elements)

Deep rock tray brings more rocks closer to elements. Provides better vaporization of water splashed over rocks.

When ordering **HEATER**, specify "**Model**" with "**Suffix Number**"

Examples: CW-S Residential model, 6,000 watt 240 volt = CW-S-631.

FM-XR-C Commercial model, 12,000 watt, 208 volt, 3 phase = FM-XR-C-1223

Note: 208 volt single phase available. "XR" 240 models used commercially priced as "XR-C".
