POWER MANAGEMENT
Power Supplies

PART NO.	PRODUCT	DESCRIPTION
PW1030	24 V DC, 30 W Desk-Mount Power Supply	Powers the Selective Call Intercom System.
PW1006	Twin Power Supply Bracket	Enables stacking of two Desk-Mount Power Supplies in the enclosure.
PW7760	12 V, 18 W Power Supply	Powers data networking and video products.
PW7725	12 V, 2.5 Amp Power Supply	Provides power for the Broadcast Intercom module.
F7715	15 V, 1.45 Amp Power Supply	An independent power transformer for camera & power dist. modules.
PW1060	24 V 60 W Power Supply	Powers the lyriQ Audio Module, LCD Module and Universal Power Distribution Module.
PW1100	24 V 100 W Power Supply	Powers the lyriQ Audio Module, LCD Module and Universal Power Distribution Module.
PW1248	48 VDC 100 W Power Supply	Powers the DA1048 PoE Gigabit Switch.

DA2401
High Performance Power Over Ethernet Injector

DA2401

HIGH PERFORMANCE POWER OVER ETHERNET INJECTOR

This compact 4-port device is designed to easily mount into any On-Q enclosure and provide 30 watts of power for a variety of PoE compatible devices like touchscreens and IP cameras. Provides up to 30 watts of power via Cat 5e/Cat 6 cabling.

- 802.3at compliant
- Connects up to four devices
- Superior safety with built-in overload and short-circuit protection
- For connecting wireless access points, IP cameras, touchscreens and IP phones

Notes: Mounts to the AC1025 DA24XX series mounting plate.

DA2400
Power Over Ethernet Injector

DA2400

POWER OVER ETHERNET INJECTOR

This compact 4-port device is designed to easily mount into any On-Q enclosure and provide power for a variety of PoE compatible devices such as touchscreens and IP cameras.

- 802.3af compliant
- Provides up to 15.4 watts of power via Cat 5e/Cat 6 cabling
- Connects up to four devices
- Superior safety with built-in overload and short-circuit protection
- For connecting wireless access points, IP cameras, touchscreens and IP phones

Notes: Mounts to the AC1025 DA24XX series mounting plate.

AC1025
Power Over Ethernet Mounting Plate

AC1025

POWER OVER ETHERNET MOUNTING PLATE

- Four positions for mounting DA24xx products in one of two orientations
- Eight screws used for securing the DA24xx products to the mounting plate from the rear of the plate
- Two plunger grommet assemblies for installing the plate in an On-Q style enclosure

Duplex Outlet Power Kit, Surge Protected

364569-02-V1

DUPLEX OUTLET POWER KIT, SURGE PROTECTED

This power kit ncludes duplex power outlet, metal "J" box, and faceplate kit.

PART NO.	PRODUCT	DESCRIPTION
F7526	AC Power Kit	The AC power kit includes metal "J" electrical box, white duplex receptacle and white faceplate for a complete installation.
