

Another innovative solution for Wire and Cable Management

NuTek®

4-gang nonmetallic device box

NuTek® 4-gang
4-FWSW
accommodates
any combination
of devices.

Molded from high-strength resin, this box provides the practical toughness and durability to perform in a wide range of temperature conditions. Manufactured with a closed cell foam gasket around the drywall flange and cable-entry tabs, forms an automatic 100% airtight seal when installed.

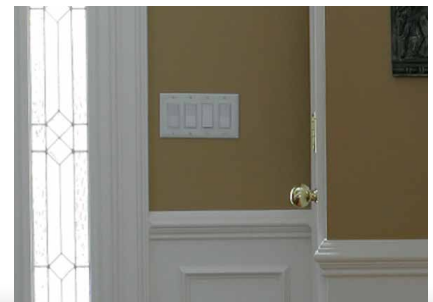

- 67 cu. in. capacity
- Self-clamping cable entry tabs – no tools are required to tighten or loosen
- External mounting flange – can be rapidly installed with screws or nails
- Positioning flange eliminates the need to measure 1/2 inch drywall
- Does not obstruct drywall installation
- For nonmetallic sheathed cable
- Voltage partitions available (sold separately)
- CSA Certified
- Designed and manufactured in Canada

67 cubic inches

16 self-clamping cable-entry flanges

Optional voltage partitions

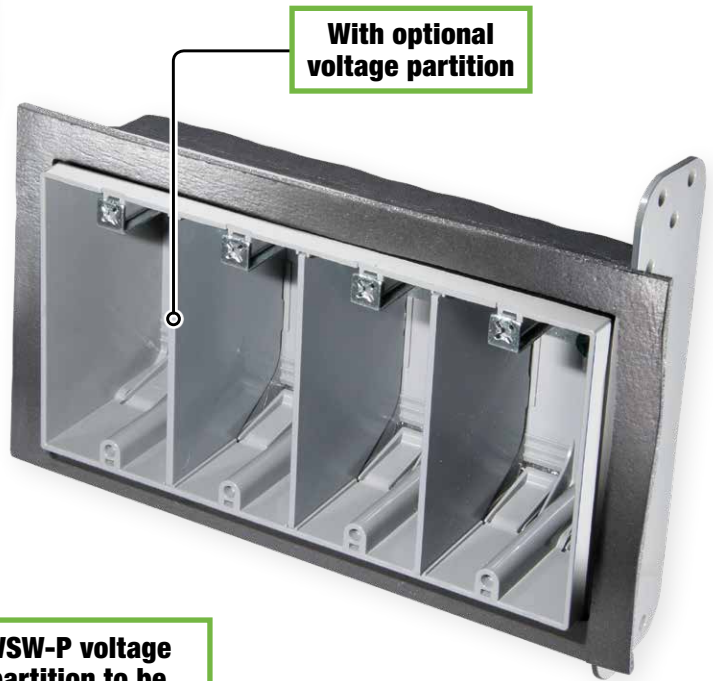

Thomas & Betts. Your best connection for innovative solutions.

Combine low voltage and 120 V devices

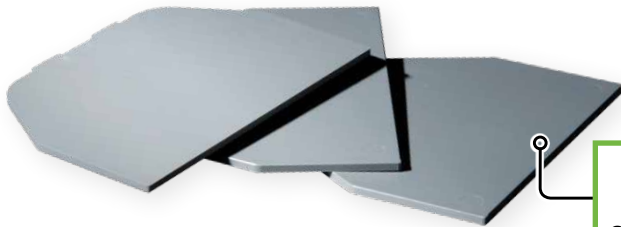

NuTek® FWSW Series boxes are the perfect choice for energy efficient homes. NuTek® boxes are environmentally safe and, in case of fire, will not emit toxic gases.

4-FWSW

With optional voltage partition

WSW-P voltage partition to be ordered separately
