

## LED EZ TAPE CONNECTORS and WIRE

Connecting a GM Lighting standard or high output standard or color changing RGB flexible linear tape has never been easier. With the LEDTask EZ Tape Connector, you simply open, insert and snap closed. The connector captures the tape and snaps closed for a secure connection.

Whether you are connecting two tapes together, or connecting a tape to a GM Lighting power supply, the LEDTask EZ Tape Connector is the quickest and easiest solution.

- Cut tape in field and connect in seconds
- Enables easier installation on multiple lengths
- Connect the same way to power supply - securely and in seconds
