## LED LIGHT EXTENDER

ALEXTLEDTM4 | [adorne](#)

---

### FEATURES & BENEFITS

#### USAGE

Ideal for corner cabinet installations, the LED Light Extender enables adorne LED lights to be mounted up to 22" from backsplash by extending cord length beyond default 11".

Pair with the adorne LED Linear Light to enjoy a bright lighting option for illuminating countertop work spaces that plugs directly into any system module.

Recommended positioning of the LED Linear Light is one light for every 18" of modular track.

Features a sleek, titanium finish.

**WARNING:** This product can expose you to chemicals including DBP, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

#### GETTING STARTED
