An innovative design, and irresistible price

Modern, efficient LED alternative to incandescent

Philips SlimStyle A19 LED bulbs are the same size as traditional A19s but in an innovative slim design ideal for table, pendant and sconce fixtures. This 10.5W bulb can replace a 60W incandescent and delivers quality light all-around.

Long life

- Lasts 22.8 years**

Daylight

- Provides light similar to natural daylight

Easy to use

- Instant on
- Dimmable

Versatile design easily fits existing fixtures

- Similar to incandescent

PHILIPS

Highlights

Instant on

Just by flipping the switch, your room is at full brightness. No slow starting or waiting.

Similar to natural daylight

When lighted, this bulb produces light all-around, similar to an incandescent bulb. It creates a comfortable atmosphere by providing a bright light, similar to daylight, that will not fade fabrics or furnishings.

Dimmable

This bulb can be used with most dimmers to create your desired ambience.

Lasts 22.8 years**

Long life reduces the hassle of replacing bulbs so often.

Similar to incandescent

A SHAPE BULB

This bulb is an easy switch from standard incandescent bulbs and delivers quality light for table and floor lamps, pendant fixtures and wall sconces.
