## DIGITAL TIME SWITCH

TS-400 | [Wattstopper](#)

---

### FEATURES & BENEFITS

The IntelliSwitch TS-400 series digital time switches automatically turn lights off after a preset time. The simple pushbutton operation provides users with convenient time out lighting control without the nuisance of twist timers.

- Automatically turns lights off after preset time
- Bright electroluminescent LCD shows timer's countdown
- Optional audible or visual alerts before lights turn off
- Terminal style wiring for simplified installation
- Digital operation and simple pushbutton set-up
- Time scroll features allows timer to adjust up or down
