

## 2-WIRE FLUORESCENT DIMMER, TRI-COLOR

RHFB83PTC | [radiant](#)

### FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

radiant® Screwless Wall Plate not included.

- Part of the all-new radiant® collection.
- For use with 2-Wire Fluorescent fixtures.
- Convenient operation combines ON/OFF paddle switch with separate slider for dimming control.
- Preset, single pole and 3-way operation.
- White LED glows when dimmer is OFF for easy location in the dark.
- Wider slide control for easier dimming operation.
- Constant memory returns lights to previous level after a power failure.
- No derating required for one- and two-gang applications.
- For covering patents, see [www.legrand.us/patents](http://www.legrand.us/patents).
