DESCRIPTION

The newly designed and versatile FUW-L is a highly efficient LED Flood Light and wall mount luminaire. This fixture is supplied with a photocell (120V), a wall bracket (for surface mounting), a wiring box (for feed-through mounting), and a 1/2" adjustable fitter that mounts on a standard box. This fixture is best suited for entrances, underpasses, or anywhere controlled security lighting is required, as well as general lighting of grounds, and floodlighting of signs and building fronts. The FUW-L is made of tough die cast aluminum housing and is IP65 rated. This fixture also has the option of adding a slipfitter or trunion.

TECHNICAL SPECIFICATIONS

- Die cast aluminum housing
- Integrated photocell (120V)
- Bronze UV resistant powder coat finish
- Input voltage: 120V AC standard (208-277V and 347V AC optional)
- High quality, long life LEDs
- Estimated lifespan of 50,000 hours
- 22W offers 1830 total lumens
- 40W offers 3293 total lumens
- 5000K colour temperature
- Low starting temperature of -40°C
