

Metal Stud Punches

PRODUCT FEATURES

- Punch up through 20 gauge (0.9 mm) steel studs in one stroke.
- Aluminum head provides strength with minimum weight, reducing operator fatigue.
- · Contoured handle design gives better operator leverage and makes it possible to punch in tight places.
- Self-stripping design eliminates punch hang-ups. •
- · Automatically centers holes on standard studs.

· Conversion kit available to upgrade early models from 24 gauge to 20 gauge maximum capacity.
