Made from high speed steel to ensure longer life, the Greenlee Combo Drill/Tap Bit is designed to tap up to 10 gauge metal and has a high quality hex shank to ensure a strong connection.

Cat #:

DTAPKITM

UPC #:

12151

Spec:

Material thickness - 10g Material type - mild steel, copper, brass, aluminum Shank - 1/4" quick change hex Drill Material - high speed steel Drill point - split point with web thinning

Description:

Complete hole drilling, tapping and deburring/countersinking in one operation. Back taper beyond tap to prevent thread damage from over-drilling. Deburr/Countersink also provided on bit beyond back taper. Made from high-speed steel vs. carbon steel for longer life. High quality hex shank to ensure strong connection to drill chuck. Designed to tap up to 10 gauge metal. Quick Change Adaptor included in both metric and standard kits.
