### OVERVIEW

The Milwaukee® 5-Piece SDS Plus Bit Kit maximizes rotary hammer drilling productivity on the jobsite. Built to take on masonry and rebar, Milwaukee SDS bits feature 2-cutter geometry for fast drilling and debris removal. The patented, reinforced flute design increases impact

resistance and transfers energy directly to the bit tip. Patented rebar chamfers withstand impact from rebar and hard aggregate, and reduce carbide chipping. The 5-Piece kit offers an assortment of bits sized 1/2" x 6", 1/4" x 6", 3/16" x 4-1/2", 3/8" x 6" and 5/16" x 6".
