

SCR1-58-3446

FURSEWELD

SureShot Welding mold. Ground rod size of 5/8 in.

General

Type:	Exothermic Welding System
Application:	Packaged with everything necessary for a connection
T&B UPC:	78378628208
T&B Status:	M
Special Features:	Ergonomic hexagonal design

Dimension Information

Conductor Size (Solid):	3.4
Conductor Size (Stranded):	4.6
