WHERE TO BUY **CARE & APPLICATION**

Instructions:

1. Secure to cord by inserting rounded end through hole in strap and pulling tight.
2. Wrap strap around cords and back onto itself to secure.

For Cut-to-Length One-Wrap® Straps:

1. Cut strap to desired length
2. Wrap strap around item to be secured
3. Fasten strap by positioning over itself

FAQS

Are these straps re-usable?

Yes, all VELCRO® ONE-WRAP products are designed to be reusable.

Can ONE-WRAP Rolls be customized to any size?

All ONE-WRAP products can be cut with household scissors to create the perfect length adhesive for any project.

Will this work as a cable management solution?

ONE-WRAP® products are reusable, adjustable and can be cut to any length, which makes them a perfect tool for clearing the clutter. Use cable ties to wrap and strap cables at home and your workplace.

Can I use this for transporting materials outdoors?
