FEATURES & BENEFITS

radiant Furniture Power Centers bring a sleek, modern design with the functionality of USB- A, USB-C and traditional power together. Quick and easy installation means nearly every piece of furniture can be powered up and ready to recharge devices. A sleek design and tamper-resistant receptacles bring your furniture a step above ordinary.

- Simply cut an opening, insert, tighten clamps, snap on the bezel and plug in.
- A compact, low profile design mounts quickly into many surfaces using screw clamps instead of wood screws.
- Safe for spills and ready to mount in horizontal surfaces like table tops.
- One USB-A and one USB-C charging port to charge devices as quickly as possible.
- Version with 10' cord available in three shades to complement the style of your furniture: black, white, nickel. Included bezel prevents exposed screws from being seen.
- The pass-thru plug allows you to plug another device such as a lamp into the back of the furniture power unit plug, ensuring you don't lose an outlet.
- Complies with part 15 of the FCC Rules and is ETL Listed to both US and Canadian safety standards.
- Version available with 6' cord.
