

FURNITURE POWER 2-OUTLET UNIT - NICKEL

RD2RNI | [radiant](#)

FEATURES & BENEFITS

radiant Furniture Power Centers bring convenient power and charging right to the spaces where people work and play, all in a compact, aesthetically pleasing package. Perfect for office lobbies, waiting rooms, cafeterias, restaurants/bars, lecture halls, transportation hubs, guest rooms, etc.

- Simply cut an opening, insert, tighten clamps, snap on the bezel and plug in.
- A compact, low profile design mounts quickly into many surfaces using screw clamps instead of wood screws.
- Safe for spills and ready to mount in horizontal surfaces like tabletops.
- Two tamper-resistant receptacles to protect yourself and your devices from damage or risk of injury.
- Available in three attractive shades to complement the style of your furniture: black, white and nickel. Included bezel prevents exposed screws from being seen.
- The pass-thru plug allows you to plug another device such as a lamp into the back of the furniture power unit plug, ensuring you don't lose an outlet.
- Complies with part 15 of the FCC Rules and is ETL Listed to both US and Canadian safety standards.
- Version available with [10' cord](#).
