

## Lineman's Pliers, 9-Inch

These Lineman's Side-Cutting pliers feature induction hardened cutting knives for long life. The 2000 series blades are designed for heavy-duty cutting of ACSR, screws, nails, and most hardened wire. The high-leverage design provides 46-Percent greater cutting power than other plier designs. Exclusive handle tempering absorbs the "snap" when cutting wire. Pick up these Klein's and feel the difference.
