

120V, 1100W INCANDESCENT SINGLE POLE/3-WAY DIMMER, TRI-COLOR

RH1103PTC | [radiant](#)

FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

Upgrading your standard switch to this dimmer will save energy and extend bulb life by reducing the amount of electricity required to power the lights.

radiant® Screwless Wall Plate not included.

- Part of the all-new radiant™ collection.
- Convenient operation—combines ON/OFF paddle switch with separate slider for dimming control.
- White LED glows when dimmer is OFF for easy location in the dark.
- Constant memory returns lights to previous level after a power failure.
- Higher ratings.
- Single pole and 3-way operation.
- Works with standard 3-way switches and wiring.
- Screw-pressure-plate backwire terminals save time, space and money.
- Comes with three interchangeable face colors: Ivory, White, Light Almond; six additional face cover colors available but sold separately (see HKIT*).
- For covering patents, see www.legrand.us/patents.

SPECIFICATIONS
