M18™ REDLITHIUM HIGH OUTPUT™ XC8.0 Starter Kit

Our M18™ REDLITHIUM™ HIGH OUTPUT™ XC8.0 Starter Kit provides you with 50% more power and runs 50% cooler vs our other M18™ REDLITHIUM™ XC battery packs. The optimized combination of smaller size and increased power of the 18-volt battery provides you with a great solution for the entire range of M18™ products. The lithium-ion battery delivers fade-free power and runs substantially cooler through heavy applications, allowing you to push your cordless power tools throughout a wide application range. The M18™ XC8.0 battery provides you with increased power in extreme-cold weather conditions (below 0F / -18C) and delivers more work per charge, driving corded replacement. The REDLITHIUM™ HIGH OUTPUT™ XC8.0 extended capacity battery is fully compatible with all 175+ Milwaukee® M18™ solutions. Our M18™ & M12™ Multi-Voltage Charger accepts all of our M18™ and M12™ batteries, so you'll always be prepared and productive, especially on jobs that require a mix of M12™ and M18™ Milwaukee cordless power tools. The battery charger communicates directly with your battery pack to monitor cell voltage, temperature and charge status to ensure a full charge. As an added level of communication, the charger indicates when the lithium-ion battery reaches an 80% charge, providing you with confidence that your battery can complete a substantial amount of work without waiting for a full charge.

INCLUDES:

- (1) M18™ REDLITHIUM HIGH OUTPUT™ XC8.0 Battery (48-11-1880)
- (1) M18™ & M12™ Rapid Charger (48-59-1808)

- ✓ REDLINK™ Intelligence: Our battery circuitry provides optimized performance and overload protection using total system communication between tool, battery and charger
- ✓ Fuel gauge onboard: Displays remaining run-time
- ✓ Battery is compatible with all M18™ tools
- ✓ M12™ & M18™ Rapid Charger charges packs up to 40% faster
- ✓ Best-in-class construction: Offers long-lasting performance and the best protection against jobsite, weather and environmental conditions
- ✓ Versatility: Powers all 175+ M18™ cordless solutions
- ✓ 5 year charger warranty, 3 year battery warranty
