## 2 Post Rack and Vertical Manager Combination Pack

#### specifications

The combination pack shall consist of a 7 foot 2 post 3" EIA compliant rack, one fully molded vertical cable manager, and anchor bolts shipped in one container. The 2 post rack shall be made of extruded aluminum and have each rack unit (RU) numerically labeled from the bottom to the top of the rack. The vertical cable manager shall be a fully molded product shipped in two pieces for ease of handling.

## technical information

Dimension:	Part Number	RU	Height in. (mm)	Width in. (mm)	Depth in. (mm)			
	Dual-sided vertical managers with 2-post rack							
	RWMPV45E	45	84.0 (2134)	25.5 (648)	12.0 (306)			
	RWMPVHC45E	45	84.0 (2134)	27.4 (695)	14.1 (357)			
	RNRV6	45	84.0 (2134)	27.1 (689)	13.8 (350)			
	RNRV10	45	84.0 (2134)	30.4 (773)	13.8 (350)			
	Single-sided vertical managers with 2-post rack							
	RWMPVF45E	45	84.0 (2134)	25.5 (648)	6.5 (165)			
	RWMPVHCF45E	45	84.0 (2134)	27.4 (695)	14.1 (357)			
	High capacity dual hinge metal doors							
	NRD6B1	45	82.2 (2088)	7.4 (188)	1.6 (40)			
	NRD10B1	45	82.2 (2088)	10.7 (272)	1.6 (40)			
Packaging:	Includes one vertical cable manager, a 2 post rack with right and left mounting rack channels, concrete anchor bolts, top and bottom brackets, assembly hardware with paint piercing washers, and anti-oxidizing paste for complete rack bonding							

### key features and benefits

Designed to be lightweight and durable for easier deployment	Aluminum rack construction and molded vertical manager reduces transportation costs; Rack is UL listed for 1000 lbs.
Accessories allow system scalability and expandability	Accessories include horizontal cable managers, shelves and top trough with waterfall
Scalability	Multiple combination pack can be used to create a multi-rack lineup
Flexibility	Includes 2 post rack with either a dual-sided or single-sided cable manager
Installation	Includes concrete anchor bolts for a secure installation

#### applications

The combination pack was designed to provide basic racking and vertical cable management for telecommunications rooms or any application where an economical 2 post rack for the mounting of 19" wide EIA based equipment is needed. A range of vertical manager widths, as well as dual-sided or single-sided cable managers are available.

Optional accessories such as horizontal cable managers, shelves, and troughs are available based on application requirements. Multiple combination packs can be bolted together to create entire rack and vertical manager lineups.
