

Box Level Endcap Replacement Set

Empire's ENDCP-2PK Replacement Box Level Endcaps are engineered to help guarantee the long-life accuracy of your level. The all-rubber shock absorbing design provides superior protection against frequent drops and jobsite abuse. The endcaps can also easily be removed tool-free for use in tight spaces or in long distance scribing applications. Endcaps are compatible with all: e75 True Blue Box Levels, e95 UltraView LED Box Levels and e105 True Blue Digital Levels.
