

7" TRUE BLUE® Laser Etched Rafter Square

The Empire e2994 True Blue® Laser Etched 7 in. Rafter Square features permanent laser markings for superior readability in any light condition. An increase heel width that is up to 25% wider than leading competitors gives increased stability while cutting deck boards. Thick anodized matte 6063 aluminum provides a safer cutting guide and will not rust or corrode.

INCLUDES:

[\(1\) 7" TRUE BLUE® Laser Etched Rafter Square \(e2994\)](#)

FEATURES:

- Permanent laser etched markings
- Laser etched markings provide 2X accuracy over standard stamped squares
- High visibility markings
- 40% wider heel provides more stability on working materials
- Anodized aluminum
- Conversion tables for common application needs
