

radiant Collection Smart 15A Outlet with Netatmo, Nickel

Part No. WNRR15NI

The smartest way to take control of lights and power, optimized for larger homes.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

Features & Benefits

Control lamps or appliances from smartphones and tablets* with the Legrand Home + Control app. Even schedule them to turn on/off automatically, create groups, set scenes and monitor energy usage

Features ultra-reliable performance through a robust and dedicated mesh-network

Installs easily in place of an existing outlet. Can be wired to extend Protects children with a patented tamper-resistant shutter control to all outlets downstream or load-side. One outlet is appcontrolled, the other is always on

system that prevents improper insertion of foreign objects, complete with black "invisi-shutters" for an invisible effect

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems

Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers

Available color options include White, Light Almond and Nickel

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look

*Smart Gateway required
