

radiant Collection Smart Tru-Universal Dimmer with Netatmo, Nickel

Part No. WNRL50NI

The smartest way to take control of lights and power, optimized for larger homes.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

The radiant® Smart Tru-Universal Dimmer works with virtually any 120V dimmable bulb or fixture, adjusting to the precise light level you want, without the flicker. Unsure what dimmer your bulb needs? Avoid uncertainty with Tru-Universal Dimming.

Features & Benefits

Control lights from smartphones and tablets* with the Legrand Home Works with virtually any 120V dimmable bulb or + Control app. Even schedule lights to turn on/off automatically, create fixture and installs easily in place of an existing groups, set scenes and monitor energy usage.

Features ultra-reliable performance through a robust and dedicated mesh-network.

Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers.

Screwless Wall Plate included. Coordinate with other designer switches and outlets available from the radiant® Collection for a cohesive, sophisticated look.

switch (neutral wire required).

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.

Available color options include White, Light Almond and Nickel.

*Smart Gateway required.
