

High-quality, easy-to-use EZ-RJ45

Simplify your UTP terminations with Leviton's high-quality EZ-RJ45 Connectors and craft-friendly EZ-RJ45 Crimp Tool.

Perfect for residential installations, Leviton's new, easy-to-use EZ-RJ45™ Connectors and EZ-RJ45 Crimp Tool provide quick, cost-effective UTP wire terminations. The high-quality connectors, terminated with our EZ-RJ45 Crimp Tool, feature openings that allow wires to be inserted and extended out the front for increased performance, wire sequence verification, and no wasted connectors, crimps, or bad terminations. The reliable EZ-RJ45 Connectors exceed Category 5e standards and are terminated using Leviton's high-quality EZ-RJ45 Crimp Tool.

Features and Benefits of EZ-RJ45 Connectors:

- Wire sequence verification
- Increased performance
- Exceed Category 5e standards
- No wasted connectors, crimps, or bad terminations

Leviton's craft-friendly EZ-RJ45 Crimp Tool comes with a built-in cutter and stripper that crimps and cuts wires in one simple operation. Able to accommodate EZ-RJ45 Connectors and most standard RJ-45 and RJ-11 connectors, this cost-effective tool features precision ground crimp dies, a full cycle ratcheting mechanism, and steel construction for strength and durability.

Features and Benefits of EZ-RJ45 Crimp Tool:

- Built-in cutter and stripper
- Precision ground crimp dies
- Full cycle ratcheting mechanism
- Works with EZ-RJ45 and most other RJ-45 and RJ-11 connectors

The easy-to-use EZ-RJ45 Connectors and EZ-RJ45 Crimp Tool are part of Leviton's high-quality Residential Tool Kit. Containing a variety of durable tools, the Residential Tool Kit is perfect for residential or small office installations.

Use the cost-effective EZ-RJ45 Crimp Tool (above) to terminate EZ-RJ45 Connectors (right).

The EZ-RJ45 Connectors and EZ-RJ45 Crimp Tool can be purchased separately, or as part of Leviton's high-quality Residential Tool Kit. Providing everything needed to install coaxial cable and UTP wire, the Residential Tool Kit comes with a variety of durable tools for simple, hassle-free installations.

Part of a complete line of high-quality residential networking solutions, Leviton's EZ-RJ45 Connectors and EZ-RJ45 Crimp Tool are covered by a one-year limited product warranty. For more information on these new and exciting products, visit Leviton's web site at www.levitonvoicedata.com.
