# Presto LED Downlight

With an integrated driver and junction box, the Presto LED Downlight is an all-in-one product that will fit seamlessly into all residential lighting applications. The base model is complete with a white baffle finish, but this line also offers customizable trims made of stamped metal that will enhance the look of the luminaire, creating a sophisticated look tailored to your decor.

▪ Light weight
▪ Recessed look – significantly reduces glare

Revolutionizing how Downlights are installed!

4 Easy Steps

Airtight Rated

Quick Connects included

Integrated driver + junction box

Customizable Trims

Wet location

Recessed light source

IC Rated

Torsion springs for ease of installation

4 Easy Steps

| 1. Use hole saw | 2. Make connections | 3. Place wires and close lid | 4. Bend back torsion springs and insert the luminaire into the ceiling |

7 W — 5.7" (145 mm) · 3.2" (80 mm)

9 W — 7.5" (190 mm) · 3.5" (90 mm)

QUICK CONNECT · AIR TIGHT · IC RATED · WET · NO MERCURY · 5 YEARS WARRANTY · RoHS COMPLIANT · DIMMABLE · ENERGY STAR · c(UL)us · FC
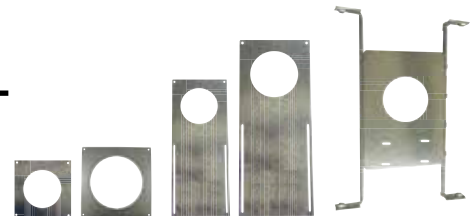

[1] Life rating based on L70 lumen depreciation design criteria. Average life of downlight that have been approved for ENERGY STAR early submission or complete submission can vary. ENERGY STAR early submission dictates that manufacturers can only claim 40 000 hour life with 3 000 hour actual life test data, 6 000 hour LM-80 data and in-situ temperature measurements. Once a product has been fully qualified, manufacturers may increase the lifetime of a product by demonstrating full compliance with the ENERGY STAR criteria at the new lifetime with lumen maintenance at the minimum required test period.
[2] Typical lumens +/- 10 %
